QUALITY CHOICES IN PORT

What would you prefer on your Mediterranean cruise?

“Welcome to Athens! We’re waiting for two more flights then we’ll board the buses to the hotels.”

OR

“Welcome to Athens! Your private car is waiting to take you straight to the Royal Olympic where your room is ready.”

Rushing through Ephesus with a bus full of fellow travelers to get to a mediocre lunch and a required shopping stop.

OR

Enjoying an intimate and illuminating stroll through an ancient port, followed by lunch at a traditional restaurant, reputable shopping optional.

Guarantee that you’ll have a high quality, relaxing and personal experience in conjunction with your Mediterranean cruise. Since 1993, Ya’lla Tours USA has been the boutique alternative to mass-market handling in the Eastern Med. Of course, standard Ya’lla amenities and service apply.
